2.3.2 Teachers use ICT enabled tools for effective teaching-learning process.

- Information & Communications Technology (ICT) enabled teaching methodologies is being followed by the faculty members on regular basis in classrooms. All the faculty members use PowerPoint slides, videos and movies, while teaching. All teachers also have created google classroom to share the study material and give assignments.
- Separate PC is offered to each faculty member which is equipped with multimedia, software and with internet facility.
- Well-equipped computer lab with internet facility is available to students for their self-development and completion of assignments.
- The Digital Library is provided to students for referring E-resources.
- Classrooms with Information and Communication Technology (ICT) facility:**
 - Classrooms are equipped with facilities like projectors for presentations, audio visuals
 - All the computers are connected by Local Area Network (LAN).
 - Internet facility is available in all Computer labs to utilize web resources for teaching learning. The campus has Wi-Fi connectivity and high speed (32Mbps) Internet facility.
 - Facilities like Wi-Fi and internet keep students connected to huge knowledge.
 - Students are also encouraged to give presentations by using these means and tools.
 - Institute is having excellent infrastructure in the form of ICT enabled classrooms for making teaching more comprehensive.
