Institute Social Responsibility (ISR Cell): "Prayas "

Fostering Social Responsibility & Community Engagement:

Education Institutions plays important role to achieve the objectives of socio-economic development of India through their active community engagement. This approach will also contribute to improvements in quality of both teaching and research and better understanding of issues confronting the society. Institute is trying best to bring social responsibility and community engagement in our regular practice. SKNSSBM is keeping 3 functions in practice for students Teaching, Research and Service to society. Social Responsibility helps understand multifaceted issues and ability to respond them generating global knowledge to address challenges, food, climate change, water management, intercultural dialogue, renewable energy and public health.

Objectives:

- 1) To Inculcate Social awareness, values and environmentally responsible behavior amongst students.
- 2) To nurture students as citizens with moral, ethical and social values so as to provide service to the society through activities and discharge their obligations towards the society
